

# Physicians for a Bright Future Campaign

## A Proud History A Bright Future

### FUNDS RAISED TO DATE

#### PHYSICIANS FOR A BRIGHT FUTURE

**\$245,000** (including cash and pledges)

#### PROUD HISTORY BRIGHT FUTURE

**\$23M** (including cash and pledges)

### Here's How to Make a Gift & Get Involved:

- **Complete your gift [pledge](#).** Gifts can be made over a multi year period, ending in 2024, on a preferred payment schedule of your choice. We humbly encourage that every Burnaby medical staff member consider donating at least **\$5,000** in support of the campaign to help reach the Physicians for a Bright Future **\$1M** campaign goal.
- **Tax incentives.** The end of year is a great time to make a gift and take advantage of the tax incentives. You can make a one time gift **by cash, cheque, visa (all major credit cards)** and even **gifts of stock or shares**.
- **Department competition and group donations.** Assemble members of your department to contribute to a department goal. We have created **department google docs** to support pledge sign-ups and participation. If you are interested in leading and championing this for your group, please email Danielle ([danielle.sleiman@bhfoundation.ca](mailto:danielle.sleiman@bhfoundation.ca)).
- Check out the **department fundraising efforts** poster located in the physicians lounge.

*Thank you for your support.*
