

RETIREMENT FUNDS

You can leave your RRSP or RRIF to Burnaby Hospital Foundation. There are two simple ways.

1. Your financial institution will provide you with a Beneficiary Selection Form and you can designate Burnaby Hospital Foundation on the form.
2. You can designate your estate as the beneficiary and leave a gift in your Will equal to the value of all or part of your retirement funds.

In both cases, your estate will receive a charitable tax receipt for the value of your donation.
