

Thank You!

Your generosity has funded game changing advancements in care like the Mako Robotic Arm.

"We're proud that Burnaby Hospital was the first in Western Canada to introduce the Mako Robotic Arm. Now, my team and I are thrilled to celebrate the completion of our 100th surgery using this groundbreaking technology."

– Dr. Tim Kostamo,
Orthopedics Division Head,
Burnaby Hospital

Entering the Next Phase of Healthcare

Thanks to your support we have achieved so much to date as Phase 1 of the redevelopment will come to completion later this year. Medical staff and hospital staff can now access modern equipment such as the Mako Robotic Arm used for knee and hip surgery, and the new Continuous Renal Replacement Therapy (CRRT) that elevates Burnaby Hospital’s ICU to tertiary level care.

Without your ongoing support we would not be able to do the work that we do. For that, I am honoured to express my gratitude to you. I hope you will take a moment to read about just a few of the people, organizations and businesses whose support has helped make better healthcare close to home possible.

Yours in gratitude,

A stylized blue ink signature of Harry Parmar.

Harry Parmar,
Board Chair, Burnaby Hospital Foundation

Pediatric Rapid Access Clinic

Canucks for Kids Fund Transforms Pediatric Care at Burnaby Hospital

In an inspiring act of generosity, the Canucks for Kids Fund recently made a generous \$400,000 donation to Burnaby Hospital Foundation, marking a pivotal moment in their unwavering dedication to supporting community health. As part of the hospital's redevelopment, the clinic is helping expand pediatric services and enhance care for over 500,000 people in the community and surrounding areas.

"We are incredibly proud to support Burnaby Hospital Foundation's vital efforts to improve the pediatric care provided in our community. Our commitment to children's health and wellness continues to be a cornerstone of our efforts, and we are honoured to help ensure that young patients and their families have access to the best possible care when they need it most."

– Michael Doyle,
President of Canucks Sports & Entertainment,
Business Operations

New Smile Zones for Kids

Brightening Hospital Visits for Children

Smilezones are designed to bring joy and comfort to young patients. Burnaby Hospital is proud to be the recipient of two Smilezones. These spaces are designed to include vibrant colours, interactive technology, and uplifting artwork, providing a welcoming, stress free environment for children in hospital.

"Our mission to create comforting, joyful spaces for young patients now reaches BC with Burnaby Hospital being the first recipient."

– Scott Bachly,
Co-Founder Smilezone Foundation

A Big Thanks to Organizations and Families

RBC Foundation Supports New Canadians with Generous \$75,000 Donation

RBC Foundation's generous donation to support the New Canadian Clinic will help ensure new Canadians in Burnaby and surrounding areas have access to the medical and social support they need.

Chinese Christian Gospel Church Raises Over \$1,500

As a loyal supporter over the years, the Chinese Christian Gospel Chapel came together again and held a yard sale in support of Burnaby Hospital and the Bright Future Campaign.

Every Smile Cookie Made a Difference

Because of your sweet tooth and your big hearts, we raised over \$17,600 during the 2025 Tim Hortons Smile Cookie Week! This incredible total wouldn't be possible without the support of store owners Manpal and Arpen Rana and Ajit and Harj Thandi. Every cookie made a difference, and every smile helped support our community. Thank you!

Chinese Love Big Action

A heartfelt thank you to Mona Louey for her unwavering dedication to uniting the community and spreading love through philanthropy by helping raise funds for Burnaby Hospital's redevelopment! Her commitment continues to inspire and make a lasting impact!

Upping Our Game at Burnaby Hospital

Cheers to You

Congratulations to the team in unit 3D who've been recognized for a Cheers to You award by a grateful patient. Their compassion inspired a generous donation from the patient and his family to support our local healthcare heroes!

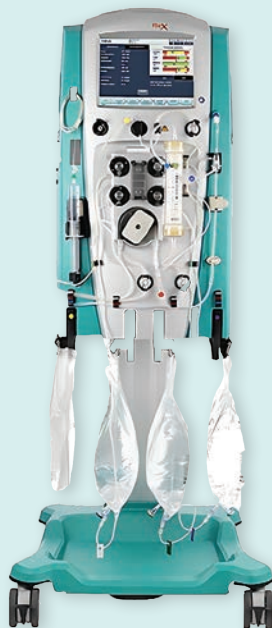

Donor Funded Survival Kits

Thank you to our incredible volunteers for their help in assembling emergency preparedness kits for our busy medical staff. These kits are filled with essential items like battery packs, non-perishable food, water and first aid supplies ensuring our healthcare heroes are ready for any situation.

New CRRT Elevates Burnaby's ICU

The new Continuous Renal Replacement Therapy (CRRT) is a welcome addition to the Intensive Care Unit (ICU) enabling Burnaby Hospital to now provide tertiary care. This means that instead of transporting critically ill patients multiple times per week for hours-long treatments at another hospital, patients will receive dialysis treatment from medical staff right here — close to home — at Burnaby Hospital.

Burnaby Hospital Redevelopment

What We've Achieved

On March 24, the new Pharmacy and adjacent spaces were handed over from the contractor to Fraser Health, marking that construction on Phase 1 is in the final stages. The new Pharmacy features enhanced medication preparation capacity and two biosafety cabinets designed for preparing chemotherapy medications for the oncology clinic that will be a part of Phase 2 of the redevelopment.
