# Flourish Together

For International Women's Day in 2027, Flourish Together returns for its second year, building on the success of our inaugural 2026 event and continuing the work of Burnaby Hospital & Community Foundation's Women's Health Society.

We're bringing together more than 130 women, healthcare professionals, philanthropists, and community members for an inspiring afternoon of connection and empowerment. This is the continuation of our movement to amplify women's voices in healthcare.

By sponsoring Flourish Together, you will celebrate women's contributions to healthcare in Burnaby, while supporting an initiative that creates lasting impact throughout the year.

You will gain exposure and recognition among community-minded professionals who value women's empowerment and equitable healthcare.

## Featuring Master of Ceremonies: Tamara Taggart

## The Solution

The Women's Health Society has created a community where women:

- Advocate for themselves and each other
- Connect with like-minded community leaders
- Support women's health initiatives year-round
- Lead meaningful change in our community

## The Impact

- Support women's health services in Burnaby and beyond
